Guided Pathway to Success - Year 1 (Music)

The Arts and Humanities Pathway will introduce students to the history of ideas that have defined cultures through a study of the visual arts, literature, theater, music, and journalism. We emphasize connections among the arts, and how artistic expression has shaped humanity. Students may choose to pursue an AFA in Art or Music or an AA with tracks in English, Journalism/Mass Media, Music, or Theater that will prepare them to obtain a bachelor's degree and work in a wide variety of fields.

Extra-Curricular/Co-curricular Opportunities at ECC: The Fine Arts programs are known throughout the area for the ECC art gallery, band, music and theater performances that involve ECC students, ECC alumni, community members, and visiting artists and musicians. The English and Journalism/Mass Media Departments sponsor student publications and writing contests, and organize the ECC Film and Lecture Series.
